G. CERTIFICATION OF BENEFICIAL OWNER(S)

To help the government fight financial crime, federal regulation requires certain financial institutions to obtain, verify and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

The information below must be completed by the person opening a new account on behalf of a legal entity with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities. For purposes of this form, a legal entity includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or foreign country. Legal entity does not include sole proprietorships, unincorporated associations or natural persons opening accounts on their own behalf.

Control Person: Please provide the following requested information. All information is required unless otherwise noted and must be completed by a person with the intent to open an account or apply for credit. Additional information may be requested based upon the response provided. The following information for one individual with significant responsibility for managing the legal entity listed above, such as:

- o An executive officer or senior manager (e.g., Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, Treasurer); or
- o Any other individual who regularly performs similar functions. (If appropriate, an individual listed under sections C and D above may also be listed in this section.)

Please note: The Bank may ask to see a copy of the driver's license or other form of government issued identification for each owner/guarantor and the controlling individual. In lieu of a passport number, foreign persons may also provide an alien identification card number, or number and country of issuance of any other government-issued document evidencing nationality or residence and bearing a photograph or similar safeguard.

ONLINE ACCESS (Easy Access Line of Credit ONLY) - Customer may view, make payments, and obtain an Advance by using the Bank's iBusinessBanking online banking system. If you do not have iBusinessBanking (online banking), please contact your account officer. Customer will not request an Advance that, when taken together with other amounts then outstanding in the Account, would exceed the Credit Line. If Bank makes an Advance that causes the balance of the Account to exceed the Credit Line, that amount in excess of the Credit Line will be immediately due and payable. Bank is under no obligation to make an Advance in excess of the Credit Line, and the fact that Bank makes such an Advance will not preclude Bank from declining such a requested Advance in the future. By choosing to add online advances, the Customer understand and agree that the Administrator of the iBB Company ID above will be given the permission to request an Advance on behalf of the Customer.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT - To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

If your application for business credit is denied, you have the right to a written statement of the specific reasons for the denial. To obtain the statement, please contact the compliance officer at the address or phone number listed on the first page of this form within 60 days from the date you are notified of our decision. We will send you a written statement of reasons for the denial within 30 days of receiving your request for the statement.

NOTICE: The federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, national origin, sex, marital status, age (provided the applicant has the capacity to enter into a binding contract); because all or part of the applicant's income derives from any public assistance program; or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act. The federal agency that administers compliance with this law concerning this creditor is Office of the Comptroller of the Currency, Customer Assistance Group, 1301 McKinney Street, Suite 3450, Houston, Texas 77010-9050.

Section 1014 of Title 18 of the United States Code was amended to make it a federal crime for any person to knowingly make any false statement or report, or willfully overvalue any land, property or security for the purpose of influencing in any way the action of any bank the deposits of which are insured by the Federal Deposit Insurance Corporation.
